MTNT, through its subsidiaries, participates in Government Contracting and has Government Contracting firms that participate in the Small Business Administration's 8(a) program. As such, our 8(a) companies must certify that they maintain "good character" to the Small Business Administration each year pursuant to 13 CFR 124.108. Section 124.108, in turn, requires that key employees and principals demonstrate business integrity. Among others, directors and officers are considered principals under federal law, and many of MTNT's directors are also members of its subsidiary management teams and boards. MTNT has an affirmative obligation to notify you as a potential candidate of the obligations of its principals under the Small Business Administration and the Federal Acquisition Regulations. Further, if you are a successful candidate, you will have an affirmative obligation to comply with these regulations.

Lack of business integrity is evidenced by a guilty plea or conviction, and/or is currently incarcerated or on parole or probation pursuant to a pretrial diversion or conviction for a felony or any crime involving business integrity. In addition, as required by the federal government, MTNT has adopted *MTNT, Ltd. and Subsidiaries Code of Business Ethics for Directors and Officers* and Compliance Policies that require our directors to conduct business in full compliance with the laws, rules, and regulations that govern MTNT's business activities and interest. Likewise, MTNT is required to exercise due diligence to detect and prevent criminal conduct and disclose a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in USC Title 18, or a violation of the civil False Claims Act, in connection with the award, performance, or closeout of a contract pursuant to FAR 42.203-13(b) and (c). **Accordingly, MTNT requires its candidates' and directors' consent to a public records search to ensure good character.**
