## 8(a), HUBZone & Small Business and Government Contracting

MTNT, Ltd. is an **Alaska Native Corporation (ANC)** headquartered in Anchorage, Alaska. MTNT provides products, services, and technologies to federal and industry customers. Our core capabilities reside in professional services, information technology, construction management, procurements, and rapid contracting.

As **8(a), ANC-owned** firms, MTNT subsidiaries have unique advantages in federal procurements, which enable us to quickly execute contracting actions, helping clients procure products and services in days, not months. These advantages were approved by Congress in the Alaska Native Settlement Claims Act (ANCSA) of 1971 and are set out in the SBA's 8(a) Program, the Federal Acquisition Regulations and Code of Federal Regulations.
